# Short Annual Meeting Today

- For just a few minutes right after this User Group meeting ends today.
- To fulfill requirements of our charter,
- There will be 3 short reports. Directors, Finance and Audit, AND
- An opportunity for every member to give input to the PODS organization.

# Progress is being made!!

- There is progress with Documentation.
- There is progress with version 4.0.
- There is progress with ILI Standard.
- There is progress with ECDA Standard.
- There is progress with the organizational structure of PODS.
- There are new ideas coming in all the time, and new PODS members, and new committee members.

# Progress is being made!!

- The Board of Directors has approved the new position of PODS Executive Director.
- This position will ensure that members and prospective members have an in person contact available to them for questions and help with all PODS issues.
- Should be working by 2<sup>nd</sup> quarter 2006
- New PODS Web Site

# Your advise and needs are critical!

- Please honestly fill out your survey sheets today!
- As the organization grows it becomes more important than ever to express your needs and concerns.
- Your advise and needs give the leadership direction and guidance.
- The board meets tomorrow to consider what you have said on your surveys and to see how we can head in the direction you are asking for.

# Welcome to the First Annual PODS User Group Conference
